

KEVIN TONEY

FROM "WALKING IN RHYTHM" TO BUILDING RELATIONSHIPS

Kevin Toney, the world-renowned Grammy nominated musician, composer, author and speaker celebrated the launch of his new book "SUPER GLUE YOUR LOVE RELATIONSHIP: Ingredients to Bond and Grow Your Relationship"; a revolutionary new way to see and shape love relationships at a meet & greet on Sunday, April 23, 2017.

The new book is part two of his inaugural relationship guide, "The Virtuous Man...Breaking the Men's Code" which chronicled his personal journey to become a better husband and person. This acclaimed second installment hopes to help bond and grow the love relationship of both married and unmarried couples in a committed relationship. It also reveals how the main ingredients of faith, trust and love will form the "SUPER GLUE" for any relationship facing life's storms.

"Super Glue Your Love Relationship" also looks at creating and sustaining more "together time" with your spouse, frequent time shared between just you and yours that inspires a happier, long-lasting and fulfilling love relationship. The journey of marriage is about going from "I" to "We". Kevin reveals how this can be accomplished and help grow your love relationship to levels you have only dreamed of!

With this book, Kevin Toney has created a powerful resource to help couples attain and sustain love in a relationship. Whether you're in a good marriage and want to make it better or you're in a broken marriage that needs healing, Kevin presents tips on how to strengthen your bond and grow your relationship through personal experience walking this delicate walk through 37 years of marriage.

The book is already receiving critical praise from both religious and secular sources.

"This is a resourceful book, with practical and spiritual ingredients for developing and maintaining a healthy relationship." – Rev. Dr. Armetha Inge, Senior Pastor at Compton United Methodist Church

"This is an excellent resource filled with practical sense wisdom on how to protect preserve and solidify the marriage union. The principles applied will create deeper intimacy, trust and unity within the marriage relationship."
– Nick Bravo, Founder Dream Builders Inc.

"Kevin Toney captures the elements of reinforcing the strength a man and a woman must have to keep their love to their spouse unbreakable. I believe this is a powerful book that will heal couples to be the best lovers in their relationship as possible." – James C. Rodriguez, CEO & President Fathers & Families Coalition of America

Toney's honest details of the ups and downs of his own relationship including how his faith took him from infidelity to a loving and dedicated marriage, will hopefully help others to improve their marriages and relationships.

Kevin also shares how he and his wife re-bonded, rebounded and relearned how to nurture a strong, loving and *trusting* relationship. This book is a "real life" revelation for couples that have gone through trials and tribulations and focuses on the power tools necessary to make a marriage succeed.

Before his success as an author, Toney was well known for his musical genius, and the work he did as a founding member of The Blackbyrds, who had several hits on the charts including "*Walking in Rhythm*," "*Happy Music*" and "*Rock Creek Park*." He also released several solo recordings, composed scores for motion pictures (Cornbread Earl & Me) and collaborated with some of the country's top Jazz players including Bobbi Humphrey and Marlena Shaw.
